PROFESSIONAL
SEBASTIAN

Leaders in hair fashion, Sebastian deliver a creative and innovative range of hair care products.

Wella professional is the leader in professional hair colour, from temporary to semi permanent and permanent hair colours.

dermalogica

Dermalogica products are currently the most requested professional-use-only skin product in the world. Their ethos is grounded on the importance that products for a healthy skin regime should be recommended by a professional skin therapist with the same care that a physician would prescribe.

Recognised as the best in the world, Jessica offer award winning custom colours, rich in depth that simply glide onto the nail. With Jessica you have the confidence of knowing that you are using colours exclusively formulated for natural nails.

CLOUD NINE™

Stockists of all Cloud 9 thermal styling tools.

Makeup that combines the finest ingredients, effortless application and unrivalled expertise to bring out your natural beauty.

Created with marine minerals extracts, Kissed by Mii has taken the nourishing benefits of coral seaweed and coastal flowers to replenish your skin's natural minerals, leaving it sublimely soft so your tan can develop beautifully.

NIOXIN

NIOXIN uses advanced technologies to deliver thicker, fuller, denser-looking hair. advanced technologies provide real solutions for making the most of the hair you have, transforming the hair care industry and bringing hope and confidence to men and women everywhere.
